

matchmycolor environmental policy

matchmycolor is committed to providing a quality service in a manner that ensures a safe and healthy workplace for our employees and minimises our potential impact on the environment. We will operate in compliance with all relevant environmental legislation and we will strive to use pollution prevention and environmental best practices in all we do.

Our Policy therefore is to:

- Strive to integrate the consideration of environmental concerns and impacts into our decision making and activities,
- wherever possible minimise our waste and then reuse or recycle as much of it as is possible.
- Aim to minimise energy and water use within our buildings and processes in order to conserve supplies and minimise the consumption of natural resources.
- As far as is possible, purchase products and services that do the least damage to the environment,
- where applicable; train, educate and inform our employees about environmental issues that may affect their work,
- undertake to promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner,
- endeavour to communicate our environmental commitment to clients, customers and the public and encourage them to support it,
- where required by legislation or where significant health, safety or environmental hazards exist, develop and maintain appropriate emergency and spill response programmes

Our targets and goals within our offices:

- wherever possible we use reusable tableware and cutlery
- we encourage our employees to bring their meals within reusable or biodegradable containers
- we encourage our employees to avoid/not produce any waste and use natural resources with consideration and care
- unavoidable waste like PET, cardboard, paper, electronical waste etc. is to be collected and upcycled or recycled
- upcycling and recycling is managed by the company
